Hi Angela,
Thanks for setting up this meeting while I was out. It looks like we are set on the date/time, but let me know if there are any logistics you need me to follow up on. I'll be providing some information for our pre-meeting soon.

Thanks!

I forgot to ask how many participants you expect? I've reserved one of our 15th floor conference rooms but want to make sure its large enough. Thanks.

Angela,

Everyone is planning to attend in-person at the Seattle office. However, if you could arrange a conference call line as a backup (in case travel plans change at that last minute) that would be much appreciated.

Thanks,

Lauren

Hi Kelly,

Yes, Tuesday June 19 from 9 -11 am will work for us. Will your folks participate in person and/or by phone? If in person, I'm assuming we'd meet at the EPA office in Seattle but please let me know if you have a different understanding. If you also have people joining by phone, I can provide a call-in number. Thanks.

Hi Kelly,

I'm following up to schedule the meeting regarding Washington's work to revise their fish consumption rate, human health criteria and implementation provisions.

Below are a few dates/times that we are currently available to meet:

Tuesday 6/19: 9-11

Wednesday 6/20: 10-12 or 1-3

Thursday 6/21: 1-3

Please let me know if any of these options work for your group. The following are planning on attending: Mike Bussell, Angela Chung, Adrienne Allen (water quality attorney), and myself.

I'm going to be out of the office for 2 weeks after today, so if we are not able to confirm a date today, please coordinate scheduling the meeting with Angela Chung (included on this email or at 206-553-6511).

Thanks,
